

**PERSONALLY IDENTIFIABLE INFORMATION**

Your 2024-2025 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact STUDENT FINANCIAL SERVICES as soon as possible so that your financial aid will not be delayed.

**3 INCOME INFORMATION TO BE VERIFIED**

**A.- TAX RETURN FILERS**

Complete this section if you and/or your spouse filed or will file a 2022 income tax return. The best way to verify income is by allowing the FAFSA to retrieve FEDERAL TAX INFORMATION [FTI] from the Internal Revenue Service [IRS]. Each CONTRIBUTOR [Student and Spouse] must give consent for this information to be retrieved by FAFSA. In most cases, no further documentation is needed to verify 2022 IRS income tax return information that was transferred into your FAFSA if that information was not changed.
